

Wood Repair PRO Cordless Kit

Lighter Packaging. Same Trusted Performance.

Art. nr. 50069

The Same Trusted Performance

Built to meet the demands of industry professionals, the PRO Cordless Kit delivers robust power and dependable quality straight out of the box. A complete, reliable solution designed for those who can't afford downtime.

Optimized Shipping

The packaging is designed for efficiency — ship up to 10 Kits per dispatch, reducing freight costs and your carbon footprint per unit.

Sustainable Packaging Built to Last

Packaged in a sturdy cardboard box — strong enough to reuse. When it's served its purpose, it's fully recyclable with standard cardboard waste.

Includes:

- ✓ **Knot Filler Bag 8 sticks, 300mm** 8x Knot Filler sticks (4 different colors).
- ✓ **WR 540 PRO Cordless Knot Filler Gun** Application tool for Knot Filler wood repairs.
- ✓ **Cooling Brick** Cools down Knot Filler and presses it into the knot to ensure strong adhesion.
- ✓ **Cooling Iron** Cools down Knot Filler and presses it into the knot to ensure strong adhesion.
- ✓ **Cutting Tool** For cutting off excess Knot Filler.
- ✓ **Knot Filler Saver** Turn leftover material from color changes into new sticks.

Eco-friendly and reusable

This cardboard box helps reduce plastic and is built to be reused.
